Spotlight: Capital Raises

Here are 5 reasons you should hire Sinclair Range when searching for business capital:

1. **Experience.** Scott Sinclair, President of Sinclair Range, has led or participated in over \$27 Billion in corporate transactions. Every client of Sinclair Range receives the direct attention of Scott.
2. **Reputation.** Sinclair Range is a leading brand for corporate finance transactions, particularly in difficult and troubled situations. No lender has ever lost a dollar on a financing initiated or led by Sinclair Range.
3. **Independence.** Sinclair Range can act as an advisor to your business, completely independent from specific lenders and without 'buy side' compensation.
4. **International.** As capital markets tighten, businesses need to get creative and expand their search beyond the typical capital providers. Sinclair Range has closed transactions in over 25 countries and maintains active relationships in many of those jurisdictions.
5. **Process.** Difficult markets and difficult situations require a different process. Sinclair Range succeeds because it is able to distill complex messages into a simple, understandable story that is of interest to the targeted capital providers.

"The One" Event and Tommy Hilfiger

Tommy Hilfiger and wife, Dee Ocleppe. In his 70s, ultra successful, yet on top of his business like few I have ever met. What inspired me most from the discussion is his attention to and knowledge of every detail of his businesses.

I have over thirty years of working with distressed businesses and I can confirm a 100% correlation between financial distress and a lack of detailed control.

My mission for 2024, inspired by Tommy, is to focus on detail.
