Sinclair Range Introduces: A Week In Review

Your weekly window into the real world of deals, decisions, and day-to-day business adventures at Sinclair Range.

Each week, we take you behind the curtain with:

- **Lesson of the Week:** A quick, candid takeaway from the front lines—think of it as the insight you wish someone had told you sooner.
- **Interesting File / Deal of the Week:** Get the inside scoop on one file, project, or negotiation that stood out—whether for its creativity, its complexity, or just for the story.
- **Struggles of the Week:** Because it's not all wins—Scott shares an honest look at what didn't go to plan (and what we learned from it).
- **Scott's Musings:** Reflections, rants, and the occasional offbeat observation—always authentic, sometimes unconventional.

Every week you get a mix of practical lessons, real-world war stories, and a glimpse into the strategic thinking that drives Sinclair Range. It's unfiltered, insightful, and (hopefully) just the right amount of entertaining.

Join us every Friday on YouTube, X, LinkedIn, Instagram and Facebook.
