Spotlight: Alberta-Based Flow Measurement Company | Approved Vendor to Major Midstream Operators

We are seeking a going-concern sale of an Alberta-based oil and gas flow measurement company through a pre-filing Sales and Investment Solicitation Process (SISP). While the preferred outcome is a full sale of the business, the Company is also open to considering a C\$2.0 million equity placement to refinance its current senior debt and provide working capital for growth. Current management is committed to remaining with the business to ensure operational continuity and to support future expansion.

Sinclair Range Introduces: A Week In Review

Your weekly window into the real world of deals, decisions, and day-to-day business adventures at Sinclair Range.

Each week, we take you behind the curtain with:

- **Lesson of the Week:** A quick, candid takeaway from the front lines—think of it as the insight you wish someone had told you sooner.
- **Interesting File / Deal of the Week:** Get the inside scoop on one file, project, or negotiation that stood out—whether for its creativity, its complexity, or just for the story.
- **Struggles of the Week:** Because it's not all wins—Scott shares an honest look at what didn't go to plan (and what we learned from it).
- **Scott's Musings:** Reflections, rants, and the occasional offbeat observation—always authentic, sometimes unconventional.

Every week you get a mix of practical lessons, real-world war stories, and a glimpse into the strategic thinking that drives Sinclair Range. It's unfiltered, insightful, and (hopefully) just the right amount of entertaining.

Bankers, lawyers, accountants: your client base will benefit from a short, expert, affordable coaching session. Feel free to reference clients to this link or call Scott for more information.

Sinclair Range Offers Fractional CFO, Controller, And Accounting Services For Small Businesses

Business and transaction success relies on accurate and timely financial reporting, but this level of reporting can be costly or unavailable to many small businesses.

Sinclair Range has the solution: virtual and fractional CFO, Controller, and bookkeeping services tailored to meet your unique needs and budget—all at a cost that is a fraction of hiring comparable skill sets full-time.

With Sinclair Range, you'll receive:

- Accurate and timely information to make critical decisions.
- Professional reporting that can be used for lenders, investors, and stakeholders.
- Regular coaching sessions with Scott Sinclair, CPA, advisor to hundreds of small businesses in 30 countries, to review and discuss financial information.
- Access to the entire Sinclair Range team and network, including investment bankers and analysts.
- A CFO to talk to when you have that late night worry or idea.

Let us handle the financials so you can focus on growth.

About Us

We exist to help businesses transition - businesses going through a period of high growth, struggling with under-performing operations or in financial difficulty.

We consider ourselves a rapid response professional team, uniquely capable of dropping into difficult situations to make positive change.

We define success as saving jobs.

Acquisition

We invest to acquire control or significant influence in troubled businesses and assets located in the United States and Canada. We are industry agnostic.

Advisory

We are hired to actively assist existing management teams facing tough challenges. We combine financial, operational and legal expertise into a single seamless service package, focused on:

- ✓ Turnaround Advisory
- ✓ Interim Executive
- ✓ CRO
- ✓ Distressed Mergers & Acquisitions
- ✓ Corporate Finance

Lending

In limited circumstances, we provide financing solutions to small businesses unable to access traditional bank financing. We are creative and quick and can couple financing solutions with advisory services and/or a plan to acquire the business. We consider:

- ✓ Turnaround Lending
- ✓ Bridge Loans
- ✓ DIP Financing
- ✓ Operating Capital
- ✓ Receivable and Inventory Solutions
