Sirona Pharma Inc. | Equity & Strategic Partnership | C\$6.0 Million

Sinclair Range is pleased to introduce a compelling equity and/or strategic partnership opportunity in Sirona Pharma Inc. (“Sirona” or the “Company”), a Health Canada-licensed premium cannabis producer currently navigating a structured exit from creditor protection under the Companies’ Creditors Arrangement Act (“CCAA”). This financing will facilitate the Company’s exit from CCAA and position it to capitalize on significant near-term revenue opportunities in both domestic medical and international premium markets.

Ontario-Based Precision Machining & Tooling Company Seeks Investment or Sale

We are seeking a going-concern sale or financing transaction for a precision machining and plastic injection mold tooling company in Ontario, serving the automotive, consumer products and aerospace sectors. The transaction contemplates a sale of all or substantially all of the business or equity of the Company subject to the Company’s discretion to consider other viable proposals.

Canadian High Yield Private Credit Opportunity

A client of Sinclair Range is seeking capital for a new, Canadian focused, high yield private credit vehicle.

The Company is an established Canadian lender with over 26 years of specialized experience in factoring and accounts receivable financing and over \$1 billion in capital deployed. It is built on an experienced management team and a solid foundation and is now expanding its capabilities to fill a significant gap in the Canadian private credit market, estimated to be over \$1.5 billion.

The Inner Circle: Deals & Capital

In recent Inner Circle: Deals & Capital sessions, a diverse range of founder-led companies and live capital opportunities have been showcased across sectors including advanced mobility, artificial intelligence, industrial products, energy infrastructure, and real estate.

Presentations have featured modular autonomous electric vehicle platforms designed for defense and industrial applications, AI-driven tools that enhance real estate decision-making through predictive analytics and document processing, and financing opportunities tied to companies undergoing recapitalization.

They have highlighted businesses offering patented adhesive and reusable mounting solutions, providers of medium- and high-voltage electrical distribution systems, and global networks of architecturally distinctive retreat properties with both development and investment potential.

These sessions emphasize practical deal flow, direct engagement with founders, and in-depth discussions around capital structures, growth strategies, and emerging investment themes.

Recaps from past sessions are available on our [WEBSITE](#).

Sinclair Range Introduces: A Week In Review

Your weekly window into the real world of deals, decisions, and day-to-day business adventures at Sinclair Range.

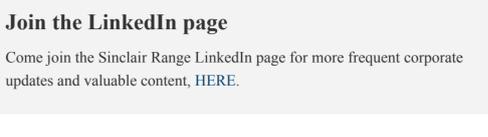

Each week, we take you behind the curtain with:

- **Lesson of the Week:** A quick, candid takeaway from the front lines—think of it as the insight you wish someone had told you sooner.
- **Interesting File / Deal of the Week:** Get the inside scoop on one file, project, or negotiation that stood out—whether for its creativity, its complexity, or just for the story.
- **Struggles of the Week:** Because it’s not all wins—Scott shares an honest look at what didn’t go to plan (and what we learned from it).
- **Scott’s Musings:** Reflections, rants, and the occasional offbeat observation—always authentic, sometimes unconventional.

Every week you get a mix of practical lessons, real-world war stories, and a glimpse into the strategic thinking that drives Sinclair Range. It’s unfiltered, insightful, and (hopefully) just the right amount of entertaining.

Join us every Friday on YouTube, X, LinkedIn, Instagram and Facebook.

Don’t miss this week’s episode - watch the video below!

World Class Business Coaching

Our related personal services brand, [TheScottSinclair.com](#), is really excited to announce two new, world class coaches to our coaching team: Len Walker and Craig Boyer. You can learn more about Len and Craig and coaching services [HERE](#).

Most business owners, entrepreneurs, and professionals don’t have access to world-class expert guidance—until now. Whether you’re a small business owner, solopreneur, or executive, this coaching platform bridges the gap, giving you affordable access to proven business leaders who can immediately improve your thinking and execution.

Bankers, lawyers, accountants: your client base will benefit from a short, expert, affordable coaching session. Feel free to reference clients to this link or call Scott for more information.

Sinclair Range Offers Fractional CFO, Controller, And Accounting Services For Small Businesses

Business and transaction success relies on accurate and timely financial reporting, but this level of reporting can be costly or unavailable to many small businesses.

Sinclair Range has the solution: virtual and fractional CFO, Controller, and bookkeeping services tailored to meet your unique needs and budget—all at a cost that is a fraction of hiring comparable skill sets full-time.

With Sinclair Range, you’ll receive:

- Accurate and timely information to make critical decisions.
- Professional reporting that can be used for lenders, investors, and stakeholders.
- Regular coaching sessions with Scott Sinclair, CPA, advisor to hundreds of small businesses in 30 countries, to review and discuss financial information.
- Access to the entire Sinclair Range team and network, including investment bankers and analysts.
- A CFO to talk to when you have that late night worry or idea.

Let us handle the financials so you can focus on growth.

Contact us today at info@sinclairrange.com to get started!

About Us

We exist to help businesses transition - businesses going through a period of high growth, struggling with under-performing operations or in financial difficulty.

We consider ourselves a rapid response professional team, uniquely capable of dropping into difficult situations to make positive change.

We define success as saving jobs.

Acquisition

We invest to acquire control or significant influence in troubled businesses and assets located in the United States and Canada. We are industry agnostic.

Advisory

We are hired to actively assist existing management teams facing tough challenges. We combine financial, operational and banking expertise into a focused seamless service package, focused on:

- ✓ Turnaround Advisory
- ✓ Interim Executive
- ✓ CRO
- ✓ Distressed Mergers & Acquisitions
- ✓ Corporate Finance

Lending

In limited circumstances, we provide financing solutions to small businesses unable to access traditional bank financing. We are creative and quick and can couple financing solutions with advisory services and/or a plan to acquire the business. We consider:

- ✓ Turnaround Lending
- ✓ Bridge Loans
- ✓ DIP Financing
- ✓ Operating Capital
- ✓ Receivable and Inventory Solutions

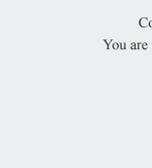

Partner

Want to partner with us on one or multiple transactions? Feel free to contact us to discuss.
